Voluntary Opportunity

The Information Kerala Mission (IKM) has successfully deployed the Citizen Service Modules of the **K-SMART** application across all local bodies in Kerala. Using advanced technology, **K-SMART** is transforming the way Local Governments serve citizens.

With the rapidly evolving concept of Digital Public Infrastructure (DPI), there is a significant opportunity to enhance public service delivery by transitioning **K-SMART** to a unified digital infrastructure. DPI enables:

Digital ID systems

- Interoperable payment networks
- Secure data exchange
- Access to mobile and internet services
- Verifiable identity systems
- Digital signatures
- Efficient crisis response
- Scalable economic and social services

To guide this transformation, IKM invites experienced IT professionals and startup ecosystem leaders to volunteer as members of its DPI Advisory Board.

-

Role Highlights

- Advise IKM on AI, block chain, and emerging technologies
- Assist in digital policy creation and procurement strategy
- Collaborate directly with the CMD and Executive Director of IKM
- Influence digital transformation initiatives impacting millions of citizens

Eligibility Criteria

- Minimum 15 years of experience in the IT sector
- Expertise in deploying cutting-edge tech solutions for public use
- Ability to travel independently (self-funded)
- Commitment to volunteer service (no remuneration)
